Summer 2016

A Large Salumi Platter

What goes into our platters?

The Best From Our Deli Case

Our experienced staff selects the finest meats and cheeses from our 8 foot deli case to use when assembling your order. Owner Emily Chandler curates the inventory using knowledge gained from working in the specialty foods industry for over 13 years.

The panini are made with salumi and cheeses from our deli case as well as homemade tuna and chicken salad and condiments including our beloved olive tapenade.
